**Neetu Talreja, M.D.**

Board certified by the American Board of Internal Medicine and the American Board of Allergy and Immunology. She has presented at national, as well as international scientific conferences, and has several publications in the most renowned journals in the field of allergy and immunology.

*"I love Allergy/Immunology because it gives me the opportunity to treat the entire age spectrum from small children to the elderly and the chance to significantly improve their lives with a cooperative, patient-based approach."*

**Charles "Chip" N. Webb, M.D.**

Board certified by the American Board of Pediatrics and the American Board of Allergy and Immunology. Dr. Webb has previously practiced Allergy, Asthma and Immunology for over a decade on US Air Force bases located throughout the world.

*"I am happy to come back to my roots in Idaho and provide quality patient care to the community I was raised in"*

**Jeremy D. Waldram, M.D.**

Board certified by the American Board of Internal Medicine and the American Board of Allergy and Immunology. He previously practiced Allergy, Asthma and Immunology in the US Navy and has published research in well esteemed journals in allergy and immunology.

*"I love building relationships with my patients and seeing their quality of life improve as we work together to manage their allergy/immunology concerns."*

**Brianne Ayers, PA-C**

Obtained a Master's Degree in Physician Assistant Studies locally at Idaho State University.

*"I love this specialty because it allows me the chance to help people breathe better, love their pets and enjoy the great outdoors!"*
